Chapter 1 Introduction

Part III Application of Listing Rules

110(6)

The Exchange shall, within a reasonable period, report to the Listings Advisory Committee on specific listing applications ~~which satisfy all admission requirements under the Exchange's listing rules~~ which have been approved-in-principle for listing and have not been referred to the Listings Advisory Committee. ~~The Listings Advisory Committee has the discretion to convene a Listings Advisory Committee meeting for any specific listing application which was not referred to it, if it is of the view that any referral criterion under Rule 110(4) has been satisfied.~~
